NEW 'campersApp' for Activities

When you are on the move and don't have access to your printed activity schedule.

A Word from Wendy

Welcome home! For those of you who will be joining us for your first winter season, you are now part of the very fun, friendly and active Rincon Country family. We hope everyone had a terrific summer!

Our summer here at RCW was a busy one indeed for our maintenance crew, along with our legion of faithful subcontractors.

One of the many projects we did over the summer was expanding the pottery room to accommodate the growing population of talented crafters that enjoy pottery and ceramics. The Coffee Room has been relocated to Card Room 2 which will overlook, and access, the other major project you have probably noticed by the Shuffleboard Courts.

This area will have seating, grills, shade and cornhole so you can sit and relax or play a game while grilling with friends. The area will also feature additional bike parking.

We are happy to announce that we have added a new unisex restroom down by the North Pickleball and Tennis courts. We will also soon be adding gates to the south end of all the Pickleball courts. No more walking through other courts to get to where you are playing.

We want to remind everyone that we now have E-bike rentals in the Resort. If you have thought about buying an E-bike but would like to try one out first, this is a good opportunity to see if you want to take the leap or not. We also have several golf carts that are available to rent either short term or long term for those situations you might have a need for it. See the Activity Office for details.

We have continued to add natural native landscape to the Resort. All of the plants that we have added have been selected by a local expert from the University of Arizona. Not only will these plants give the Resort a beautiful year-round esthetic look, but they will also help conserve precious water resources. We hope that all of our residents will follow suit by choosing native plants rather than plants that require frequent watering.

The team has completed many other projects behind the scenes that deal with the infrastructure and utility services such as light fixtures, beam repairs/replacements, pool deck coating, roof repairs, various painting projects, directional signage and much more...

We are ready once again for a wonderful, fun-filled season and we hope you enjoy your stay.

HIGHLIGHTS

Welcome to the 2024-2025 Season!!

Welcome to Rincon West, welcome to warmth, welcome to a winter retreat like no other with its mild climate, beautiful desert landscape, social and cultural richness, the greatest destination for those seeking solace from the cold months.

It is with anticipation that we welcome back old friends and look forward to making new ones. Many have been here all summer, recently arrived or are on your way to enjoy the great weather and wonderful activities while others are planning their trip and looking forward to January 1st, we are here to ensure your activities are as delightful as your stay.

Can you believe the 2024-2025 season is here?

The resort's activities are always fun because of the sheer volume of events being staged throughout the resort. Think Halloween pet parades, dances, holiday lights, golf cart parades, twinkle, sparkle, the jolly old guy, and his elves. And that is before we get to January.

To kick off the season, we have a wonderful array of Shuttle Adventures designed to make each journey a memorable experience. Whether you are heading to Mount Lemmon or embarking on a cultural or foodie adventure, we will do our best to provide you with memories to tell for years to come.

Whether you are a new or recurring guest you may want to check out our extensive list of Clubs focused on providing fun activities for the wintertime. We have clubs for all to enjoy including golf, billiards, crafts, pickleball, shuffleboard, art, bicycling, quilting, clay arts, writing, and much more. In your spare time take a moment to check out the Club & Activities Guidebook, the Outdoor Monitor, the billboards near Main Office, Multipurpose room, and Rec Hall, campersApp, Channel 2, and Friday morning Coffee & Donut informational session, our monthly 'Villager' newsletter, and of course chatting with your neighbors for more details. We have something for everyone.

Please join us for our first Friday Coffee and Donut Informational Session, October 18th at 8:30am in the Auditorium. Due to the increased expense of donuts it has forced us to charge \$1 for a donut and the coffee remains free. We will continue to look for another supplier however we are finding their donuts are much smaller.

Villageaires Plans a New Beginning

The Villageaires Board thanks the RCW residents for your support this past year. Your ticket fees help pay for new music, a small stipend for the Director and Accompanist, and general expenses.

We wish a fond and heartfelt good by to Donald Austin as he retires after 15 years as Director and vocalist. A warm welcome to Diane Larrabee as the new Director and Margaret Babineau as the Accompanist. RCW is fortunate to have such talented and willing volunteers within its community.

The Villageaires invites new voices to join us for the 2024-25 season. Rehearsals begin Tuesday, Nov. 5 at 9:00 am in the Rec. Hall. They continue each Tuesday and Thursday to prepare for the Holiday Concert on Dec. 8 and 9. Plan to blend your voice in joyous song!
