Halloween Dance

With DJ Warren

Tuesday, October 31st

7:00 p.m.

Grab your costume and come out and shake a leg with DJ Warren. It's the first dance of the season and it's sure to be a scary good time! Don't forget, the theme this season is the *The Islands*, so the costume that best incorporates the theme will win a ticket to a RCE activity office sponsored dance of their choice! Join us to have a ghouling good time!

Halloween Golf Cart, Bicycle, Scooter & Walking Parade

Pets Welcome!

Tuesday, October 31st

3:00 p.m.

Meet in the breezeway area near the office with your decorated golf cart, bike, scooter and your pet! Prizes for best pet costume, best decorated golf cart, bike or scooter and best costume!

First, I want to welcome everyone back for the season! I hope you all had a terrific summer and for those of you that are new to the Rincon Family, welcome!

Our summer here at RCE was a very busy one for Dennis, James and Keith, along with our legion of faithful subcontractors.

One of the many improvements we made this summer was renovating the main Courtyard. A brand-new fountain and concrete sidewalk were added along with seating to enjoy the tranquil ambiance of the area. Come on over and hang out to get your Zen on!

We had many folks request that we bring back the golf practice net. You asked, we listened. A new net has been added between the north and south pickleball courts. If you get a chance, check out the nice new linoleum floor in the sewing room that replaced the old, outdated flooring.

I want to remind everyone that we now have E-bike rentals in the Resort. If you have thought about buying an E-bike but would like to try one out first, this is a good opportunity to see if you want to take the leap or not. See the front office for details.

We have continued to add natural native landscape to the Resort. Not only will these plants give the Resort a beautiful year-round esthetic look, but they will also help conserve precious water resources. We hope that all of our residents will follow suit by choosing native plants rather than plants that require frequent watering.

We are ready once again for a wonderful, fun-filled season and we hope you enjoy your stay.

Rachel

Therapeutic Art with De

November 22nd 9 a.m. to 10 a.m.

Arts and Crafts Room

Therapeutic art is about enhancing self-awareness, acknowledging emotions, and expressing your feelings through various art forms. You do not have to have creative talent! Keep an eye out for more classes throughout the season.

Clubs and Classes

It's time for Tour de Tucson fun again! The RCE Bike Riders are participating in the El Tour de Tucson this November, riding electric bikes for 31 miles to raise funds for a local school. Last year, they successfully raised around \$2000, which was presented to the school's principal and administration. This year, they are looking for donations again, which can be made via Zelle, check, or cash. Call or see Judy Sinkular 520-336-8822

The Caring Neighbors Club

The Caring Neighbors Club will resume in full force in October. As a new club, we helped over 40 people during our short stint last season, with moves, animal care, repairs, errands and visits. If you know of someone who could use help, or if you do yourself, fill out a request card and drop it in the box located in the office. If you'd like to be a volunteer to help your neighbors in need, please contact our President, Jane Morrison at 612-419-6002. Caring neighbors is what makes our park so great!

Clubs and Classes

Bicycle Club

During the winter months the bicycle club meets every Monday at 10 am in front of the breezeway. The club usually consists of two to twelve riders on any style bicycle including eBikes. Our rides are between 14 and 25 miles with the shorter distances in the early season. We ride The Loop and occasionally the Aviation Bikeway. We almost always have a coffee shop destination in mind around the halfway point. Ride routes and any changes are published on the Facebook group: *“Fun Times at Rincon East”*. Monitor that group to learn of any changes due to weather. Our first ride will be November 4th and last ride, April 14. If you have questions, contact Dale, space 454 or Gary, space 264.

Lapidary Club

Lapidary is ready to start busting rocks, sawing slabs, making jewelry, and having lots of fun doing it all. Regular hours will commence as soon as monitors arrive and the hours will be posted on the door. Looking forward to a great season. If you have any questions or need access to the Lapidary shop, give me a call - Jerry Payne, 520-891-6912.

Friday Surprise

Every Friday 9:00 a.m. to Noon

Arts and Crafts Room

Every Friday morning, starting in November, something artsy will happen in the Arts & Crafts Room. Events might include hour long entry level Ceramics classes, Monochromatic Painting classes, Therapeutic Art, Glass Fusion, Calligraphy, Wire Wrapping, Mixed Media, and Introduction to Lapidary. For more information, contact Kathy, #387, 360-771-9485.

The Bulletin Board

Bulky Item Pickup!

Please sign up in the front office for this service. It will cost \$25.00 for the pick up. We will have this service on an as needed basis during the season. Please do not leave large items out by the dumpsters or throw items over the fence into the wash.

AED Device

We have two Automated External Defibrillator (AED) devices. They are located in the Breezeway near the Office and in the bathroom by the pickleball courts.

Speed Limit

Please observe the 10-mph speed limit inside the park.

I'm OK

The "I'm Okay Club" is a program for guests and residents who live alone. This is a daily check-in by phone that allows us to make sure you are OK. Please stop by the Activity Office to sign up. We look forward to seeing you.

Safety from Wildlife

The weather is still warm and rattlesnakes might still be active. As the evenings cool, this is a time when rattlesnakes seek the warmth of a cozy, asphalt street after sundown. For maximum safety carry a flashlight when you are walking at night. Keep pets on a leash. Remain alert for possible encounters.

I'm Dr. Patrick Sartz, DC, BCN, I am Board Certified in Neuropathy. My mother's neuropathy started in 1966, when I was 12 years old. A lot has changed since then but a lot hasn't. I am constantly learning since I started treating Neuropathy in March of 2008, which is why:

Beginning in 2020, 98% of my patients have experienced between 65 to 100% reduction in neuropathy symptoms with 80% improvement in balance. The results can last for the rest of their life. All done without drugs, surgery, injections or multiple weekly office visits.
