# Safety First!

## *I'm OK*

Here at RCW we want to make sure you are A-OK! The "I'm Okay Club" is a program for guests and residents who are living alone.

Once you sign up with the Activity Office, you must call in daily before 10:00AM. This is just a daily check-in by phone that allows us to make sure you are OK. If you don't call in by 10:00AM, we will try and reach you. If we are unsuccessful, we will come to your house and check on you.

Please stop by the Activity Office during the season or the Main Office during the summer to sign up. We look forward to hearing from you.

Concerned about a neighbor? Call the Activity Office and we will reach out.

## *Safety and Wildlife*

For maximum safety, carry a flashlight when you are walking at night, keep pets on a leash, and remain alert to an unlikely, but possible encounter.

## *Avoid Heat Related Illness*

Drink water - at least 2 liters (8 cups) of water per day.

Dress properly - lightweight, light colored clothing, wear a hat or carry an umbrella. Apply sunscreen to exposed skin.

Take it easy - avoid strenuous activity. If you must, do it in the morning between 4:00AM to 7:00AM (summer time). Take breaks in a cool place if possible.

## *Speed Limit*

Please observe the 10-mph speed limit inside the park.

*Only you can prevent speed bumps.*

## *AED Devices*

We have four (4) Automated External Defibrillator (AED) devices. Make it a point to learn their locations. There is one in the Breezeway near the Auditorium, D street Laundry, Rally Room, and Pickleball/Tennis courts.

You will receive a trifold card on which your vital signs will be entered. It will be your responsibility to bring that card with you to each session. We will not be keeping records with your vitals on them, as that is a possible HIPAA concern.

If you have a portable Blood Pressure machine that you'd like for us to check, please bring it to your first visit. We will use your machine and then take your vitals manually to determine the accuracy of your machine.

Please contact Kathy Hutson, B44, 765-808-1693 if you are able to help with the clinics. We will have a short meeting prior to the first session and to make up a schedule.

## Garden Railroad Club

Members of the RCW Garden Railroad Club run trains five days a week from November through April and plan several special events throughout the season as well. The current run schedule is posted on the front of the Depot.

Now that we all enjoyed Spud Out in January, we can look forward to Train-A-Thon on Friday, February 14. Train-A-Thon is a spectator's delight with multiple trains running on all five tracks. We start right after Donuts and Coffee with just one or two trains on a track and every 15 or 20 minutes we add one to each track until the Grand Finale when we have up to 25 trains running simultaneously.

If you are interested in becoming part of the RCW Railroad Club, don't worry if you are a model railroading novice. The Club has a mentorship program to help new members become familiar with the operation of the layout and Club trains are available for new members to use until they can get their own.

Meetings are held twice a month with the meetings in February scheduled for the 3rd and the 17th. The meetings are held from 3:00 until 4:00 in Classroom Two and the second meeting of the month is usually followed by a Happy Hour. Visitors and new members are always welcome.

Contact information for the RCW Garden Railroad Club is in the campersApp, Club & Guide book, and Activity Office.

## Pickleball Club

Check out the fastest growing sport in America - Pickleball. The RCW Pickleball Club has a lot of activities for players of all levels. 101 and 102 classes are available to non-members. Sign-up sheets are located in the Coffee Room. Round Robins, Shootouts, and Socials are available for Club members. The calendar is available on the Team Reach APP for all club members. Also, members are invited to join our Facebook group, RCW Pickleball Club. The Club welcomes residents of RCW and temporary RCW visitors. ## *In memory of our friend, Robert Howland*

**the Jewelry Arts Club will use one of Bob's fine necklaces in the Silent Auction Raffle Prize.**

Robert Howland, a Rincon member since 2009, passed away in September 2024. His wife of 63 years, Laurie, remembers that they came to the park with a plan to leave in 2 weeks. "He found the Jewelry Shop and we never left!"

Robert, who liked to be called Bob, became part of the Jewelry Arts club's active "Chain Gang" because he loved the detail of making fine chains. Many of the club's new members first began making chains with Bob's skilled tutelage.

Although sometimes gruff, Bob was a loyal and committed volunteer and friend, not only undertaking the role of Jewelry Arts Treasurer for many years, but collaborating with other members to introduce new equipment or techniques to the club.

Robert worked in sales for his professional life, but he also became a dedicated clown while living in Minneapolis, Minnesota. "Bobo" would put on his oversized red jacket and pants, his tiny hat, make up his clown face and join the 100 person clown group in parades and fairs or entertain children in hospitals or schools. He shared that it was very difficult to be a clown, but always worth it.

Jewelry Arts thanks him for his long standing dedication to the club.
